## Titles worksheets 5th grade

Worksheets & Grammar & Grade 5 & Punctuation & Formatting Titles As You Type, we give you special formatting of titles (books, movies, songs ..... ) to distinguish them from surrounding text. Texts of longer works (books, films, magazines, etc.) should be underlined or italic (not both). The titles of shorter works (poems, songs, short stories, etc.) should be enclosed in quotation marks. These worksheets practice capitalization and title formatting. Similar: Title capitalization quotes with a direct address When do I use ital ital and underline? Italic and underlining is used to indicate the meaning of titles such as significant works, art, poems, short stories, articles, etc. Underline the titles of the most important works when you save them in a sentence. Smaller works are placed in quotation marks. (Ex. poems, short stories, songs, essays, articles.) Our italic and underline sheets are free to download and easily available in PDF format.
